

Troop 29 - Packing Up for Camping Check List

This is a recommended list of items your son will need for most Scout Camping trips. Special events will obviously have different requirements. Please use common sense and your own judgment. If you have any questions as to what on this list to bring, refer to your scout manual.

Please bring this with you to camp to be reviewed by your patrol leader

PERSONAL OVERNIGHT CAMPING GEAR

(Refer to Boy Scout Handbook Page 224)
